6273 FOREIGN PLANT QUANTITIES  
**Price-List — June 1923**

# Movilla Gardens

**HAVERFORD, PA.**

We publish a book of convenient size and shape, giving full and accurate descriptions of all the plants named in this list. It gives the latest symposium ratings of the American Peony Society; detailed drawings, illustrating various types of Peonies and Iris; concise cultural directions, advice in selection of varieties and other valuable and interesting information. The Peony Section was compiled by Mr. James Boyd and the Iris Section by Mr. John C. Wister. It will be forwarded to any address in the United States or Canada upon receipt of 30 cents, which amount may be deducted from remittance for first order sent to us after receipt of book.

**PRICES** quoted herewith cancel all previous quotations, either by letter or in printed lists, and are subject to change without notice. A dozen plants of one variety will be furnished at ten times the price for one; six plants will be furnished at dozen rates; price for hundred lots or for larger quantities quoted on application.

**TERMS.** Cash with order. Remittance may be made by post-office order, express order or bank draft, payable to "Movilla Gardens."

**ORDERS** should be sent as early as possible, as stock of rarest varieties is very limited. Orders will be accepted subject to stock being unsold when they are received. If stock is exhausted, we will substitute another variety of equal value and of close resemblance or we will return the remittance, as customer may direct. No order for less than three dollars will be accepted.

**C. O. D. ORDERS** will not be accepted unless accompanied by at least one-half of the amount in cash.

**SHIPMENTS** will be made by Express or Parcel Post (insured) as seems most advisable, unless we are particularly instructed, and forwarding charges will be collected from the purchaser through the Express Company or the Post Office. We prefer to ship Iris in July and August and we will not disturb our fine varieties except in those months. Peonies can be shipped only in September, October and November.

**COMPLAINTS**, if made immediately on receipt of goods, will be investigated at once and, if due to our negligence or carelessness, will be promptly rectified.

**VISITORS.** The Gardens can be reached by the Philadelphia and Western Railroad from the 69th Street Terminal of the Market Street Elevated Railroad. They are about seven minutes' walk from Ardmore Avenue Station. Visitors are always welcome, but particularly so when the Lilacs, Iris and Peonies are in bloom.
